

UltraVue®

The UltraVue® Experience – Tru Vue's Anti-Reflective Properties on Water White Glass

UltraVue Features:

- Anti-Reflective
- Scratch Resistant
- 98.5% Light Transmission
- 2.0 mm Water White Glass
- Less than 1% Light Reflection
- Amazing Clarity

UltraVue® creates unlimited solutions to custom framers looking to offer a reflection-free premium glass that displays radiant colors and amazing clarity. Our glass enhances the brightness, contrast levels, and color of all artwork for an extreme viewing experience and nothing less.

Showcase the exceedingly anti-reflective UltraVue® glass with a specifier and glazing counter display to demonstrate its optically coated superior quality that creates a virtually invisible finish.

UltraVue Glass Sizes:
